

# BOARDS PREP TIMELINE

## SUMMER BEFORE BOARDS

Begin selecting preparation material (KMK, OptoPrep, etc.).

## REGISTER FOR PART 1

Registration typically opens in August for March test dates.

## SEPTEMBER - OCTOBER

Begin creating your study schedule and reviewing big topics you may need to study or practice the most.

## NOVEMBER - JANUARY

Stick to your schedule and keep studying! This is the hardest time. Don't lose steam!

## REGISTER FOR PART 3

Registration typically opens in February for future test dates.

## TAKE PART 1

It's finally March. Get your final preparations and review in before the big day!

## REGISTER FOR PART 2

Registration typically opens in April for December test dates.

## PREPARATION

Utilize the time during your rotations to begin preparations for part 2 and part 3. This is dependent on your selected test dates.

## TAKE PART 2

This is typically taken in December following Part 1.

## TAKE PART 3

Located in Charlotte, North Carolina and taken dependent on individual selection.
